

# How to Update Your Auburn Password

## → Step 1:

In your browser, **navigate to [www.auburn.edu/password](http://www.auburn.edu/password)**

## → Step 2:

**Log in using your current Auburn username and password**

## → Step 3:

Click **Update Password**

## → Step 4:

**Enter your new password into the boxes**

You may use your current password as long as it still meets the password length and character requirements

## → Step 5:

**Read and Accept the Cloud Storage Agreement**

## → Step 6:

Click **Update**

### REMINDER

Your password will need to be updated immediately on all devices that have your password saved (i.e. phones, tablets, and laptops). Failure to do so may automatically lock your account. If this occurs, contact the **OIT Help Desk** at **334.844.4944**.
