

# How to Connect to a Printer

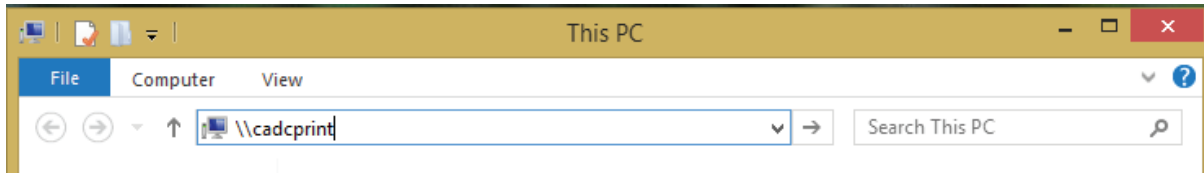

## → Step 1:

Open a new **File Explorer** window

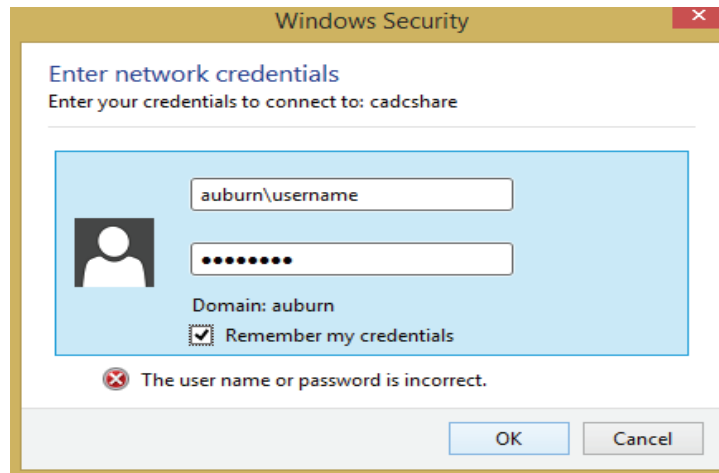

## → Step 2:

In the address bar, type **\\cadcprint**

## → Step 3:

Log in using your Auburn credentials with the format below

## → Step 4:

Double-click (or Right-click > Connect) on the printer you want to print on

**You should now be connected to the printer**
